NELUNI
PRIYANGIKA

Undergraduate (University of Sri Jayewardenepura)

/NeluniPriyangika   in/neluni-priyangika   nelunipriyangika.tech

SKILLS

- Docker
- Kubernetes
- AWS EC2
- Linux
- Dynatrace
- Python
- MongoDB
- JavaScript
- HTML
- CSS
- React
- React Native
- MySQL
- Shell Scripting

EDUCATION

University of Sri Jayewardenepura

B.Sc. Honors in Information Technology
GPA - 3.47 (Second Upper Class)
2020 - Present

AWS Skill Builder

AWS Certified Cloud Practitioner - Reading
2023 - Present

Postman API Fundamentals Student Expert

Postman Student Experts
2023 - Present

Best Practices for Docker with Jenkins

Releaseworks Academy
2023 - Present

Linux

Great Learning Academy
2022 - Present

PROFESIONAL SUMMARY

As an undergraduate student at University Of Sri Jayewardenepura, specializing in frontend development with expertise in ReactJS and the MERN stack, coupled with a strong aptitude for DevOps, I offer a valuable combination of technical skills. With a passion for creating intuitive user interfaces and optimizing development processes, I am seeking an opportunity to contribute to innovative projects while expanding my knowledge and experience. With a dedicated and collaborative mindset, I am poised to make a meaningful impact and grow both personally and professionally within a dynamic organization.

PROJECTS

DevOps

Deploying React js application on amazon AWS environment with Docker
- Technologies: Docker/ EC2/ React

Deploying spring-boot application on Linode Cloud environment with Docker
- Technologies: Docker/ spring-boot/ Linode

Web development

Web Blog App	- Technologies: MERN Stack
Photography Web App	- Technologies: HTML, CSS, JavaScript,
Online Learning & Community web Application	- Technologies: React

Mobile App development

Wedding planning App   - Technologies: React Native, Firebase, JavaScript, CSS

Desktop Application Development

Medical Center Management System
- Technologies: Java, JavaFX, MySQL, CSS, Scene Builder

Car rental System   - Technologies: Python, MySQL

RESEARCH

Predictive Analysis of DevOps Culture Awareness Utilizing Feature Learning Techniques

WORK EXPERIENCE

NISD (Nationala Institute of Social Development) - Seeduwa

IT Assistant/Web Developer - Intern   **Aug/2023 - Nov/2023**

Bank of Ceylon - Maho

PBO Assistant - School Leaver Tranee   **July/2019 - Jan/2020**
